

At the Heart of Technology

Technology Reveals My Heart's Desires – breakout room 1

- Why do you check your phone as soon as you wake up?
- Why do you use /not use social media?
- Have you ever checked a text or gone online during a church service? Why?
- What motivated you to stay up until silly o'clock watching YouTube videos or playing online games?
- Does it take more effort to read your Bible or go on your laptop? What makes our hearts respond like this?

Diagnosis

"a technology wears its benefits on its sleeve – but the drawbacks are buried deep within."
